Overcoming "Rich-Fool-itis"

Family Ministry Garage Sale

May 22 - Alamo Campus
8:00am to 2:00pm

Start collecting your unwanted stuff! We are having a garage sale to raise money for F3 and need your family to participate. We will give you a slot in the church parking lot to set up and sell all your items. We will handle all of the advertising. You get to keep half of the profits and the other half will go to support our New Life Family Ministry.

Upcoming Missions Trips & Projects

Teen Challenge: *This is a Christ centered, effective drug treatment program. It is changing lives in a profound way. Scope of work: We need help painting, tiling, light construction, cleaning, cooking, and most of all smiling. This is a one day trip; TC centers are located in Oakland and San Jose.*

San Francisco Rescue Mission: *This is a front line opportunity to reach out to the homeless in the Tenderloin of San Francisco. Scope of work: We provide hot meals on various holidays such as Thanksgiving, Christmas and Easter, dispense Christmas gifts to needy families, pass out food, and help to touch the lives of people who desperately need Christ's love. This is a one day trip; located in San Francisco.*

San Francisco City Academy: *This is a Christian school operating as part of the SF Rescue Mission. This school serves the children of the Tenderloin. Scope of work: Help with the construction of the class rooms, volunteer to teach and tutor and various other projects as needed. This is a one day trip; located in San Francisco.*

Bethany University: *This is a Christian college from which most of our church staff earned their degrees. Scope of work: Remodel the dorms which serve as the primary housing for the students including four students from New Life Church. This is a 3-5 day trip located in Santa Cruz.*

Upcoming Missions Trips & Projects (cont.)

Open Arms: This is a day care center that serves the impoverished children of La Mission, BC, Mexico. Without Open Arms and a lack of alternatives most of these children would be in an orphanage. The children are given a hot breakfast and lunch, attend school, and most importantly experience the love of Christ. Scope of work: Varies; may include construction to family events. This is usually a 3 or 4 day trip flying into San Diego, CA and a quick drive across the border into Mexico.

If you would like more information on any of the trips, please send an email to nlcoffice@newlifeinfo.com or note it on your communication and we can get you what you need. The goal is to give everyone the opportunity to participate in the amazing things that God has been doing outside of the doors of our church. So please take the time to send a reply and we will get you set up.

Life Group Leaders Meeting

Attention All Life Group Leaders!

Alamo Leaders Meeting

Tuesday, May 25, 7pm
